

## Funnel, analytical, 114 mL approx. volume

<b>Product #:</b>	<b>108368</b>
ZAR Price:	Contact Hach
Ships within 1 week	

Standard long stem funnel meets the needs of a wide variety of applications. Mounded ribbing prevents "air lock" commonly occurring during funneling and filtrations. A steep, 58-degree cone slope makes for fast and easy flow of either liquids or small solids. Polypropylene construction is resistant to chemicals and makes this funnel fully autoclavable for sterilization.
